About Be Heard Solutions

Be Heard Solutions was founded in 2005 as a subsidiary of Cherry Communications by Shannon Cherry, APR, MA, an award-winning marketing strategist.

Developed exclusively for women-led businesses and entrepreneurs, the company helps **are struggling to rise above the marketing noise by providing cost-effective, results-oriented marketing inspiration and ideas that focuses on a woman's strengths.**

Be Heard Solutions provides marketing services, workshops, manuals and mentoring programs for women-owned and women-focused businesses. Creative solutions are available for any sized business or solo entrepreneur. The company makes certain that independent women and smaller women-owned businesses have access to affordable communications tactics.

By increasing visibility, credibility, and marketability, **Be Heard Solutions** helps clients find their voice, tell their story and be heard.
